21 June 2023

To: The Head of Licensing: ICASA

The Junior Chamber International (South African Chapter) would like to respond to the Application for the Transfer of Ownership of the Individual Commercial Sound Broadcasting Service and Radio Frequency Spectrum Licences by Extriserve (PTY) Ltd to MediaDynamix (PTY) Ltd.

JCI (SA) would like to place on record its support for this Transfer Application. We believe it brings much-needed diversity to the Media Ownership Landscape, which is a significant step in the transformation of the broadcasting industry.

As an organization focused on the development of young people in SA, we believe this new Ownership structure will play an important role in empowering the youth and especially young women in the Media Industry.

Yours Sincerely
