Re: ENDORSEMENT OF THE PROPOSAL OF MPUMA KAPA FM

I hereby wish to endorse the establishment of new community radio station called Mpuma Kapa fm. This newly community radio is raising legitimate hopes that our previously disadvantaged areas will be catered for.

As a federation we are operating under 6 Local municipalities as follows:

- Amahlathi, Great Kei, Mbashe, Mnquma, Ngqushwa, Nkonkobe/Nxuba

These areas are mostly rural and the geographical set-up is so vast that it makes it difficult to move from one area to another. There is huge lack of resources and the radio station will help us communicate with our teams via announcement and other means

Hoping that this proposal will receive your positive considerations
