It will abide by all the laws, rules and regulations in place for all community radio broadcasters, and ensure that programming is generic enough to be appreciated by the majority of the target audience, and fit the appeal of the larger audience within the community. 24TH APRIL 2020

TO WHOM IT MAY CONCERN

Dear Sir/Madam

Re: **SARS TAX CLERARANCE CERTIFICATE-**
TAX REFERENCE NUMBER: 9998203179

On the 23rd March 2020 when registration was done at the South African Reserve Services (SARS) for the above-mentioned organization, an indication was made that the Tax Clearance Certificate will be available after Twenty One (21) days, which would be on the 14th April 2020. When we visited the SARS office on the day to collect the certificate, the office was closed for the public, and we were told that services will only resume after the Lockdown.

We planned to re-visit SARS again on the 17th April 2020. Unfortunately the Lockdown was extended to the 30th April 2020. Several attempts were made by calling the SARS call centre for assistance in securing the certificate, and we were told that there is no way we could be helped, and that we should wait until the lifting of the Lockdown. (Calls Reference numbers are as follows: 17/04/2020 – Ref No. 347588875, 20/04/2020 – 347610277, 23/04/2020 – 347734480 and 347735452).

Given the closing date for License applications, and the explanation received from Mr Keke Mulutsi (ICASA Bloemfontein) that the date will not be extended again, and that applications must be submitted on-line before the 30th April 2020, we therefore, hereby submit this explanatory letter and proof of registration of the organization at SARS as the only documents we can provide to prove that we did our best to comply fully with the tax clearance requirements. We hope our efforts will be considered favourably for the issuance of the license. We thank you.
