MULTICHOICE should be forced to change their name to NO CHOICE

as they are A GREEDY CORRUPT **MONOPOLY**.

TENNIS gets treated like a 3RD CLASS CITIZEN and is not included in article ?6.2.1? / ? 6.3?

as I feel it should be.

MULTICHOICE **A.K.A NO CHOICE** make it an IMPOSSIBILITY to watch a game of tennis

UNLESS YOU'RE PREPARED TO SPEND **R11 628 P.A.**

As a DIRECT result of their abovementioned attitude,

**I, personally, have missed, 99% of Pro Tennis
in the last 15 to 20 years due to Multichoice /
No Choice attitude and their**

MONOPOLY

MONOPOLIES ARE ILLEGAL IN SOUTH AFRICA

**OF THEIR 13 SPORTS CHANNELS I WATCH TENNIS
and ONLY TENNIS and DONT GIVE A FLYING F******

**FOR THE REST, they can get printed on toilet
paper for all I care.**

**AT LEAST 40 MILLION PEOPLE CANNOT AFFORD TO WATCH
THEIR BROTHERS E.G. DUSTIN BROWN AND SISTERS E.G
VENUS/SERENA WILLIAMS BEAT THE HE** OUT OF EVERYONE
ELSE DUE TO A PRESENT FEE OF R969/P.M. (R11628 P.A.)**

**18 MILLION PENSIONERS ie. 1/4 of South Africas
Population ARE ALSO EXCLUDED TO VIEW THEIR HEROES -
Their pension for the month presently at R1600 p.m.**

**I have PERSONALLY visited Multichoice / NoChoice MANY
times and spoken to COUNTLESS people to change the
company's stingy greedy SPITEFUL attitude and to give us**

OUR OWN ALA CARTE CHOICEof channels

**Personally, I would choose ONLY 15 to 20 Channels of the
total of 157 channels and would supply management a CLEAR
and CONCISE MAP WHERE THEY SHOULD SHOVE the rest.**

This has fallen on DEAF EARS and is STILL a "NO GO".
