## **APPLICATION FOR COMMUNITY RADIO STATION LICENCE**

I would like to apply for community radio station licence that will be based in Mpumalanga township called Thembaletu, the area has a youthful population that will benefit from such platforms as a means of empowering and keeping the community at large informed and connected at all times.

## **AREA OF DEPLOYMENT**

Thembaletu, Mpumelweni, Khayelisha (Mpumalanga)

## **TARGET MARKET**

Target market for the Station will be mainly residents of Thembaletu and surrounding areas

## **CONCLUSION**

The availability of such station will also assist government to be in indirect contact with members of the community in times of crisis and also understand community challenges in order to tailor make interventions. With the approval of the local authority and councillor, the licence if granted the platform will be supported and utilised in a professional manner.
