

Dear sir/Madam

ULTRA FM is ours. We need updates on trending matters and live updates. We need to be informed on matters like traffic, news and weather. We need to know about what is going on economically and to be entertained.

This is the right time to have radio station in Kokstad. It indeed now or never.

With that said, EBUKHOSINI CARWASH gives 100% support to ULTRA FM

Regards

EBUKHOSINI Management
