RE: Signal distributor for MZANSI FM

29 APRIL 2020

Blulemon Pty Ltd, an authorised signal distributor for ICASA is willing to assist MZANSI FM, with their Technical compliance for the license application to provide them with a study report for submission, as well offer guidance and technical support for the transmission equipment as well as studio equipment. If application is successful Blulemon will apply for the ECNS license for your district and offer the signal distribution services to MZANSIFM.
