Dear Sir/Madam

Re: Authorizing Letter: To Whom It May Concern

During the meeting on the 9th March 2020, as Mzansi Community Radio Station Board Members, we decided to appoint Jabu Mpembe as our media consultant as well as granting him permission to apply for a FM Radio license on our behalf.

The Board is giving him the authority to apply on our behalf since the community believes that through this initiative Abaqulusi Local Municipality and Zululand District Municipality will benefit more from community radio station. This will also open job opportunities for youth, which will contribute to the development of our community, providing a marketing platform for businesses and so on.

Yours Faithfully

Ms NJ Xaba

Secretary
